

Help Out on State Natural Areas

Ridgeway Pine Relict Workday

Join in! Ridgeway features towering cliffs of pine with northern plant species underneath and extensive oak savanna. Help the Friends of Ridgeway Pine Relict, Inc. care for this site by removing invasive plants and planting native plants. Workdays are once a month on the second Friday. This month we will be cutting and burning brush. No skills needed you will be trained onsite.

Date: March 9

Time: 9am-noon

Directions: Meet at the sign on Hwy H 0.5 miles north of the junction of H and HHH in Ridgeway. [Google map.](#)

What to wear: Dress for the weather and wear clothes that are OK to get beat up. Burning embers may put holes in outer layers.

What to bring: Leather gloves, drinking water, loppers, we will have some extra equipment available for volunteers to use.

Contact, RSVP: If you plan to come please contact Mary Kay Baum at marykbaum@gmail.com or (608) 935-5834.

Treating brush at Ridgeway
